

Prayer and Praise

- Praise God for the Ladies who come along to the Friendship Group. Pray for the witness of the workers and the messages they hear.
- Please pray for the family of Madeleine Dunstan, one of the regulars, who died recently.
- Praise God for the children who regularly attend the Countdown Club. Pray for all the workers that God will give us a love for the children and use us to present Christ to them.
- Pray for the Youth club. Numbers have been erratic. Pray that the numbers will increase consistently and that the workers will be encouraged as they seek to work with this new group.
- Pray for David and Clarissa and the continuing school based problems. Pray that God will give them strength and that they will know the support and love of us all.
- Pray for Dan whose mother has been diagnosed with terminal cancer. He is returning home on 7th November to be with her for two weeks. Pray for Rachel and the children as they remain in Wahgi. Pray for Dan's mum and his dad Ian at this very difficult time.
- Pray for Libby who is still here for a period of rest, relaxation and fellowship, and Richard who is joining her in the middle of November.
- Pray for Roger who leaves for Poland on 23rd November.

Always be eager to practice hospitality”.*

Romans 12:13

Challenge as we serve together

As we continue to read Romans 12 Paul challenges us in a very practical way. We are called upon to be caring to be ready to use what God has given to us for the benefit of each other. We have already seen that we should be a rejoicing people who are confident in the certain hope of an eternal future. This glorious hope should be worked out practically as we care and provide for one another.

Visit of GSUS Live

The visits to Radyr Comprehensive and Whitchurch High School were a great success. Exactly 1600 students went through the unit during the two and a half weeks it was there. We also had some very positive contacts with the staff in both schools. Please pray that God will use this outreach opportunity for His glory.

Pray for Gill. She is not too well at all. She is not eating or drinking and is “confused”. Please pray very much for her and the medics, not forgetting her family.
